

Premium Verona – Twin Seats

Summary

The luxurious Premium Verona is a fully reclining cinema chair designed for the maximum in comfort and style.

Beautifully crafted and available as a single seater, a twin seat or a link seat with shared armrests, this plush electric recliner has 2 individual motors which control the footrest and backrest separately allowing any user to adjust their reclining position to exactly their own comfort level.

This model has a central processor unit to handle the many functions and safety features.

Numerous features and customisable options include footrest and backrest auto return, integrated tables, lighting, built in cupholders, data points and the easy lift facility for ease of cleaning. The ultimate in premium cinema chairs.
